Erasmus Darwin Academy School Consultation: 2027-2028 Admission Arrangements

As the admission authority for Erasmus Darwin Academy, we are required to consult when we propose changes to our admissions arrangements.

When we consult

We will consult for a minimum of 6 weeks between 1 October and 31 January in the determination year (the academic year before the arrangements will apply). For example, if we're proposing changes to our 2027/28 admissions arrangements, we would consult between 1 October 2025 and 31 January 2026.

Who we consult

When consulting on proposed changes to our admissions arrangements, we seek views from:

- Parents of children between the ages of 2 and 18
- Other persons in the relevant area who in our opinion have an interest in the proposed admissions
- All other admission authorities within the relevant area
- Staffordshire County Council
- Any adjoining neighbouring local authorities where we consider it appropriate:
 - a. Walsall Local Authority

Current consultation

There is no active consultation on admissions arrangements at present. Our current admissions arrangements can be found [Erasmus Darwin Academy - Admissions](#).

How to respond to a consultation

When we consult on proposed changes, we will publish:

- The proposed changes to our admissions arrangements
- Details of how to submit your views
- The deadline for responses

All responses will be carefully considered before we make our final determination on our admissions arrangements by 28 February.
